

Support Disaster Preparedness in Los Angeles

at no cost to you by using your *Ralphs* or *Food4Less* Card. Register online for the **Community Contribution Program**: Visit www.ralphs.com or Food4Less.com and have your Rewards card handy.

- Existing online *Rewards* members sign in at ralphs.com or Food4Less.com. If you are a new online customer, click on **Create an Account** (right-hand side, below *Shopping List(s)*) and follow the step-by-step instructions to create an online account or *Alt ID* if you do not have a Rewards/Shopper's card.
- If you have already registered with one store (say, Ralphs) but not the other (Food4Less, for example), the same user ID and password used for the one will work for the other. Thus if you have a Ralphs online account, you do not have to create a new online account with Food4Less.
- After completing the sign up process (may have to log back in again), click on your name (upper right of page) or "Welcome Valued Customer" and click on *My Account* to view your account summary.
- Scroll down to *Community Rewards* and click on **Enroll**. If you have not selected a *Preferred Store*, you will need to do so before you can enroll in *the Community Rewards* program.
- Type our NPO (nonprofit organization) number in the box and click on the Search button. **Food4Less is KN451. Ralphs is RN184.** Select *Southern California Preparedness Foundation* and click on **Enroll**. You're done!

Purchases will not count toward the Foundation until after you register your card (instructions above). Then, at the checkout counter, swipe your registered Rewards card or use the phone number (or digital ID) that is linked to your registered Rewards card for purchases to count. Check your receipt to verify that the Foundation's name is shown as your selected charity at the bottom of the receipt. May take up to 72 hours to be activated.
